Hi Milene,

Unfortunately, I was not able to add it to the schedule for today since its last minute.

However, I can add it for tomorrow, with your approval. I can add it as the first location and from there they can move on to the rest of the locations.

LASAN will only be able to spot clean around the HE.

Please let me know if that works.

Thank you so much!

Good morning Leon and Diana!

I hope you're both well. Is it possible to service Sepulveda Blvd and Greenleaf St this morning? The Care Team is in Van Nuys Division today and an encampment has popped up adjacent to the 405 N freeway offramp.

I know this is a last minute request and I really appreciate your help.

Best,
Milene
